

January 2013

A Message from your EAP:

SAY HELLO TO OUR NEW LOOK!

Family Service of the Chautauqua Region is still your Employee Assistance Program provider but we have a new logo.

Our new logo is part of our efforts to assure you that as your EAP we work in conjunction with your employer in order to help you with your personal problems.

Your employer cares for you and your family and wants to make sure that you can receive the help you need when you need it. So, as a reminder here is a summary of the services that your employer offers through your EAP. Each family is entitled to five(5) sessions in total:

Counseling Services - You or any member of your family qualify for mental health counseling services provided by a licensed mental health counselor.

Financial Counseling - A qualified financial advisor can help you put a financial plan in place.

Legal Consultation - Up to a 30 min consultation via phone with an attorney for any non-work related issue.

Family Service of the Chautauqua Region has been providing EAP services for over 15 years. We are proud to serve some of the best employers and employees in our region and hope to continue to do so for years to come!
